I/We wish to apply for the Indigenous Scholarship for our child  (name) to start Class  (year level) at Helena River Steiner School on  (date).

By signing below, I/we confirm that:

- My/our child is an Aboriginal or Torres Strait Islander.
- I/we are committed to supporting the provision of Steiner education for our child, both pedagogically and financially (where applicable) and understand that continued enrolment is dependent on this support being provided.
- I/we understand that if our child is granted a scholarship, all the School's usual fees, levies, policies, and expectations will be applicable - other than tuition fees.
- By enrolling my/our child at Helena River Steiner School I/we commit to the ongoing development of the school and will do so by volunteering 4 hours of our time per term in the capacity we are able to. If we are not able to do our volunteer hours in any given term, we will be charged the Volunteer Hours Cash in Lieu Fee as described in the Fee Schedule. I/we understand it is my/our responsibility to submit the Volunteer Hours form by the end of each term, and if not received, the cash in Lieu will be charged.
- I/we understand that if the scholarship is granted, this scholarship will be ongoing for the remainder of the year and subsequent years of schooling. If I/we wish to withdraw our child, one full term's notice must be given or one term's fees will be charged to me.
