About Helena River Steiner School

Our school journey began 6 years ago with a playgroup. In 2016 we began our first mixed-age kindergarten (3-6 yrs) and in 2017 our first mixed-age primary class. We received school registration in July 2018 and our classes are growing steadily. We aim to add year levels each year until we have a full high school. The exciting journey ahead of building a strong and stable school requires tenacity, creativity, energy and a spirit of service and enthusiasm from all involved.
