About Helena River Steiner School

Our school journey began 7 years ago with a playgroup. In 2016 we added a mixed-age kindergarten (3-6 yrs) and in 2017 our first mixed-age primary class. We received school registration in July 2018 and our classes are growing steadily. In 2021 we began our first high school class. The exciting journey ahead of building a strong and stable school requires tenacity, creativity, energy and a spirit of service and enthusiasm from all involved.
