

Stationery and Book List 2024: Kindergarten to Class 10

Dear Parents and Carers

Welcome to preparations for the 2024 school year. In order for your child to be ready to learn from day one, please ensure all items are ready for the first day of the school year, and that your child knows what will be in their bags ready to bring out on day one. Please regularly check that your child has their daily stationery requirements.

- Please note: items available from our school shop for purchase are marked*
- Please ensure all items are clearly marked with your child's name. Every day we find items "lost" by children that do not have their names on them, amounting to significant costs to families.
- The school will provide the following items for all new students. These items must be replaced by parents if lost, or completely used up in the course of their work:
 - 1 x Packet of 12 Lyra quality coloured pencils*
 - 1 x Fountain pen* (for Class 4 onwards)
 - 1 x Packet of 8 block and stick crayons (for classes 1-6 only)*

Musical Instruments

All children in Classes 4 – 8 will have violin lessons as part of the school program. You will need to buy your child these things, and have them ready on the first day of school:

- A violin (as cheap or as expensive as you like)
- A violin case
- A chin and shoulder rest
- Rosin

If you are unable to buy a violin, the school may be able to hire one to you for \$25 per term. This will need to be paid by bank deposit, cash, or EFTPOS in the office. Payment is due at the beginning of each term.

NB for Middle School (Class 7-10) students:

- We ask parents of Middle School students to support and encourage your child/ren to be responsible for their belongings and stationery and be accountable for any losses. Students' learning is negatively impacted when they are unable to find the necessary items to undertake their daily work.
